However, the applicant must notify the artistic director or the administrative assistant, via e-mail, prior to each scholarship deadline, of the continued need, to be considered for ongoing scholarship awards. Notification of change in financial status will also be considered. It is the applicant's responsibility to notify CMC, prior to each deadline, of the ongoing need for scholarship consideration throughout the academic year.

Fall – September 1

Winter – December 3

Spring – March 30

Summer – June 1

Any application not completed in its entirety and postmarked by the appropriate date will not receive consideration.

Thank you!
